Freeze Rents & Service Charges - Campaign Coordinators Wanted!
Summer Solidarity Action at Druids Heath

Campaign Coordinators Wanted!

Freeze Rents & Service Charges

Thanks to funding from the New Economics Foundation, we now have resources to work with digital activist company [If Not Now](#) on a major project to improve our visibility, particularly online.

Our aim is to build pressure in support of our [Freeze Rents and Service Charges campaign](#), particularly looking ahead to government's decision on the next social rent cap, which will probably be decided in November 2023.

We need a small group of around 6-7 people to become Campaign Coordinators to help direct this campaign. You would need to be able to attend a regular monthly meeting of around 1 hour, and have the capacity to help implement some of the actions. It will help ensure that the campaign is firmly rooted in members' needs.

If you are interested please email [Suzanne Muna](#) at SHAC, and head the email 'INN Project'.

*** CALL OUT FOR SOLIDARITY ***
TUESDAY 27 & WEDNESDAY 28 JUNE

Residents of Druids Heath need you.

Birmingham City Council isn't repairing serious issues with their homes, because it wants to demolish them. But demolition for could be up to 30 years away. No-one should wait that long for a decent home. The council needs to act now. We need your help to make them.

JOIN US for 2 days door knocking on the estate - we will be finding the problems that need fixing, hearing residents stories, and supporting them to act collectively for housing justice.

3 DOOR KNOCKING SESSIONS EACH DAY.
10AM-12PM/1-3PM/4-6PM

**MEET FOR EACH SESSION AT 9.45, 12.45
OR 3.45 OUTSIDE KATH'S CAFÉ,
IDMISTON CROFT**

Summer Solidarity Action at Druids Heath

SHAC is a member of the Homes for Us alliance which is piloting 'Summer Solidarity'. This is where each group invites all others to join in a leafleting action in return for publicising a leafleting session of their own. This mutual solidarity will help increase resources for all.

The first action is at Druids Heath. Birmingham City Council is leaving homes on the Druids Heath estate in disrepair because it wants to demolish them, but that won't be for around another 10 years.

To build resistance the Druids Heath & Honeywell Forum is organising door knocking and leafleting on the affected estates.

Can you help? There will be three sessions each day on Tuesday 27th and Wednesday 28th June at 10am, 1pm, and 4pm.

Please meet up for your chosen sessions 15 minutes before the start at [Kath's Cafe, Idmiston Court, B14 5NJ](#).

If you're joining the action, please let organiser Ollly Thomas-Armstrong know in advance by [email](#), or phone 0797 723 8184.
