### Unfair and Uncapped Meeting Freeze rents. Cap service charges.

Rocketing rents and service charges make our housing unaffordable but we don't have to tolerate it. We don't yet know what level the rent cap will be set at in 2024, but we that won't stop us getting prepared!

Join our next **Unfair and Uncapped** campaign meeting at 6.30pm on Monday 11th December to help design a powerful campaign plan for 2024.

## **Grenfell Silent Walk** **6pm, Thursday 2023**

Thursday will mark 6.5 years since the fire at Grenfell Tower killed at least 72 people. It resulted from a series of decisions which prioritised profits over the lives of tenants and residents.

A silent walk will take place **from 6pm on Thursday 14th December**, assembling at [Notting Hill Methodist Church](#). All are welcome to join.

## **Seize the Moment: A Call for Disability Visibility in Social Housing Reforms** [Here](#)

Carl Davis has issued a call to action. As England's social housing sector undergoes significant regulatory and policy transformations, a crucial opportunity presents itself - one that must not be missed.

It's time for focused action on disability visibility and the elimination of discrimination in social housing. This is not just a matter of compliance with the Equality Act 2010; it's about acknowledging and addressing the unique challenges faced by residents with disabilities.
